Q1 2026

## WE ARE NOW PECU

In order to better serve you, Public Employees Credit Union has updated its name to "PECU." We've also expanded our service area to include Travis, Williamson, Bastrop, and Hays County. Once just for State of Texas workers, PECU is now open to everyone in Central Texas. Since many of our members were already calling us "PQ," we are now saying "PQ" in our advertising and social media. Rest assured, everything else remains the same. We are proud to help you with all of your financial needs. Thank you for your membership!

## REFER A FRIEND

Lots of PECU members have already earned \$100 (or more) by referring friends to our credit union. Wouldn't you like to earn some extra cash? You and a friend can both earn \$100 when you refer them to PECU and they complete qualifying activity. You can text referral invites from the Home Account Overview in PECU Home Banking. There's no limit to how many people you can refer. Scan the QR code below for more information.

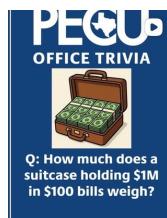

## HOLIDAY LOANS STILL AVAILABLE

Yes, we realize the holidays are now over, but we are still here to help. If you need some extra cash following more-than-expected holiday season expenses, you can still get a PECU Holiday Loan. You can borrow up to \$3,000 with up to a 12-month repayment term. Rates start at just 7% APR, based on credit rating. Apply now through 1/31/26. Learn more by scanning the QR code below.

## TIKTOK AND SOCIAL MEDIA

Our first bite-sized series, "Office Trivia," has released 12 snackable episodes that you can see on TikTok, YouTube, Instagram, and Facebook. We invite you to match wits against PECU employees to answer money-related trivia questions. The series has logged 25,000+ views across our social media platform. What's more, Chitchat does posts, sometimes with witty banter, on X. Please follow us on all of our social media.

## ATM UPDATE

Please be advised that the ATM at our Oak Hill location at 5838 Highway 290 West in Austin is no longer available. All other services and working hours remain the same at our Oak Hill Branch.
