

Welcome to Public Employees Credit Union!

We're glad you're here! To help make the transition to your new PECU checking account, the steps below will guide you through the "switch" from your current account to your PECU account. Need help? No worries. Please refer to the box at the bottom of this page & we'll assign you a friendly PECU Financial Services Representative.

1. BALANCE YOUR CURRENT ACCOUNT FORM

Fill out this form to determine the ending balance in your current checking account. Then, use your ending balance total to write your check for your opening PECU deposit.

2. DIRECT DEPOSIT AND AUTOMATIC PAYMENT SWITCH FORM

Do you have direct deposit transactions or automatic payments made to your current checking account? If so, complete the enclosed Switch Form to re-direct them to PECU.

3. CLOSE ACCOUNT FORM

Completion of this form is authorization for your existing checking account to be closed. Please send the completed form to your current financial institution.

If you have any questions about these forms, please contact our Financial Services Department. We will assign a Financial Services Representative to assist you with each of the steps involved with switching your checking account to PECU. Simply call 512-474-1955.
